Our Mission in Action

The Animal Shelter Foundation (ASF) works to improve the lives of homeless animals in our community by supporting animals in the care of Tallahassee Animal Services. **ASF's programs exist because of generous sponsors, donors, and community supporters like you.** The programs below showcase the paw-sitive impact made possible by Pints for Paws Sponsors.

Adoption Promotion

ASF organizes and funds adoption events and incentives that increase shelter pet visibility and help more animals find homes.

Doggie Manners Class

ASF offers low-cost dog training classes to adopters, helping people and pets adjust successfully to life together.

Animal Behavior Training

ASF partners with local trainers to support adopted and foster dogs, providing behavioral assessments and training to help keep pets in homes and out of the shelter.

Foster Sleepover

ASF funds short-term foster sleepovers, giving shelter dogs a much-needed break from the shelter while providing insights that support successful adoptions.

Animal Birth Control

ASF provides free spay/neuter vouchers through the shelter and local animal-control officers, helping reduce unwanted litters.

Happy Tails Transport

ASF funds transports to rescue and adoption partners, giving shelter pets a second chance while creating critical kennel space for others.

Animal Enrichment

ASF funds enrichment items for shelter pets, including treats, toys, and play yard equipment, helping animals stay mentally stimulated during their shelter stay.

Heartworm Help

ASF removes barriers to adoptions for heartworm-positive dogs adopted from Tallahassee Animal Services by covering treatment costs.

Canine Companions

ASF funds part-time specialists who exercise and enrich shelter dogs, reducing kennel stress and improving adoptability.

HOPES

HOPES helps keep pets with their families by providing resources such as training and medical care, reducing shelter surrenders.

Collars & Leashes

ASF provides martingale collars and secure leashes to adopters, ensuring newly adopted dogs have a safe and secure trip home.

Tally Spay

Tally Spay provides affordable spay and neuter services that help prevent unwanted litters and reduce shelter overcrowding.

Community Cats

ASF helps reduce cat overpopulation through free spay/neuter surgeries, rabies vaccines, and ear-tipping for local stray and feral cats.

Vet Visit Program

ASF's Vet Visit program and veterinary partners help provide medical care for shelter animals, helping them find loving homes.
